### EAST CHICAGO.

Mr. and Mrs. Abe Ottenheimer and Mr. and Mrs. Julius Friedman returned Thursday from their trip to Detroit, Buffalo and Canada.

Mr. and Mrs. J. D. Jones entertained Mrs. Maud Jones, their daughter-in-law, who has recently returned from six years spent in China as a missionary, over Sunday. Mrs. Jones is a sister of Mrs. T. F. Riggie and Mr. F. Risher of Indiana Harbor.

Post cards have been received from Miss Alta Specter who is visiting friends in Bay Shore, N. Y. They state that Miss Specter is having a glorious time.

Mr. and Mrs. Ivor Jones, who were married recently gave a dinner yesterday to some of Mrs. Williams' old boarders. The dinner indicated that Mrs. Jones has lost none of her cunning as a culinary artist since her marriage.

The J. J. Davis family and Mrs. Chas. Egbert of Indiana Harbor have returned from Hudson Lake where they had a cottage for a couple of weeks.

Mrs. Harry Thompson who has been for the past month in Burlington Junction, Mo., on account of the illness of her mother, Mrs. Mary Wagner, reports the invalid's condition as about the same.

Mabel and Ethel Silverman spent Saturday and Sunday with friends in Chicago.

### PACKEY-WALGAST GO NOT CLINCHED YET SAYS TOM JONES

"The Walgast-McFarland fight is not on yet."

Tom Jones, the champ's manager, came into town from Cadillac, Mich., yesterday afternoon and made the above surprising statement—just when the fans were sitting patiently back and waiting for the night of Sept. 15 and the big fight.

It will be noticed, however, that Jones did not say "The Walgast-McFarland fight is off."

The truth of the matter is that the match is not definitely on, but that it probably will reach that stage of the proceedings this afternoon. Jones, who has spent two days conferring with Walgast at the latter's Michigan farm, is to meet Frank Mulken, the Milwaukee promoter, in the beer city today. The meeting is all important, as when it is concluded the match will be either on or off for good.

There are some arrangements, necessary in a match of this magnitude, according to Jones, which were overlooked when Walgast signed the articles for Mulken. These must be settled to the satisfaction of Jones or he says he will prevent the bout. Just what the nature of these arrangements are Jones refused to state, but it is known they concern the ability of the club to stage the match and the posting of further forfeits. Jones anticipates no trouble in coming to an agreement with Mulken, but avers that if his terms are not met there will be no fight.

"Walgast has put the entire affair in my hands," said Jones. "If I say so he will lose his \$1,000 forfeit and let me call off the match. I do not expect to have to do this, however."

"Everything will be settled by tonight, I hope. The match looks like a big card and ought to draw a lot of money."

### MITCHELL QUITS TEAM AFTER GAME

Hammond drained the dregs of the cup of defeat yesterday when East Chicago administered a dose in which the compounds were 10 to 0. The victory of the East Chicagoans at the H. A. A. park was not only decisive, but it sent the "sick man" of the league to the bottom of the ladder.

Five hundred fans—always loyal and sympathetic—attended the obsequies. They were still charitable this morning and excused the defeat on the grounds that the local players had an off day, such as must come to all players.

The mantle of charity was, however, not wrapped so closely around Mitchell, the H. A. A. pitcher, for it became known that on the preceding day he had sold his twirling wing to Aurora, and the result was that he came to Hammond yesterday from the team last night, and there were no regrets. He is said to be signed up with Aurora.

Hammond was unusually weak yesterday, while East Chicago played in championship form, and these two conditions could result in but one outcome—a decisive victory for the visitors.

Aided and abetted by the magnificent pitching of one Novak of Gary and the palpable and decidedly rotten decision of Field Umpire Clapper the steel city aggregation succeeded in bagging the first game of the double header here yesterday by a score of 1 to 0. Without the adverse decision of Clapper, who called a Gary player safe at third when even the Gary contingent themselves said he was out, the game would have probably been playing yet, for both teams were well nigh invincible. Clapper's decision, however, was responsible for the player scoring on the next play and ended the run getting on both sides. Novak did not have anything on Smith at the pitching start, and each man only allowed four hits, two of each being of a very skinny variety. The first game was nearly featureless, being a pitchers' battle from start to finish. Nearly 600 people lined up to see the two games and all were loud in their denunciation of the decision of Clapper in the sixth inning.

In the second game, which was featured by the great pitching of Henning only allowing four hits while ten were gleamed off Anderson of Gary. Enright, Gratwick and McKay in the field played a star game and in the eighth inning Schmidt, Crown Point's third baseman, retired the side with three hard chances, doing some of the prettiest fielding seen here in moons. In the ninth inning Clapper again got in some rank work and aroused the enmity of the crowd by calling a Gary runner safe at second when McGrath had him off the plate by two feet. Gary scored her third run on this play and Clapper got the roaring of his young life. For Gary, Craig and Mallally played a star game.

New York, July 31.—Three straight victories for the ambitious White Sox over the Yankees have put the Chicago athletes in high spirits once more, besides moving them back into third place in the American league race, and for that reason the boys enjoyed their day's rest and recreation yesterday with added enthusiasm.

The only thing to mar the pleasure of beating the locals three times was the row between Capt. Lord and Umpire Mullen which occurred in the ninth inning of the second game yesterday and caused the ousting of the Sox captain. An suspension is expected to follow the incident, and Capt. Lord is in a repentant mood today and says he knows he made a mistake, but in the excitement of the moment lost control of himself. No word has been received yet from President Johnson, but none is expected before today.

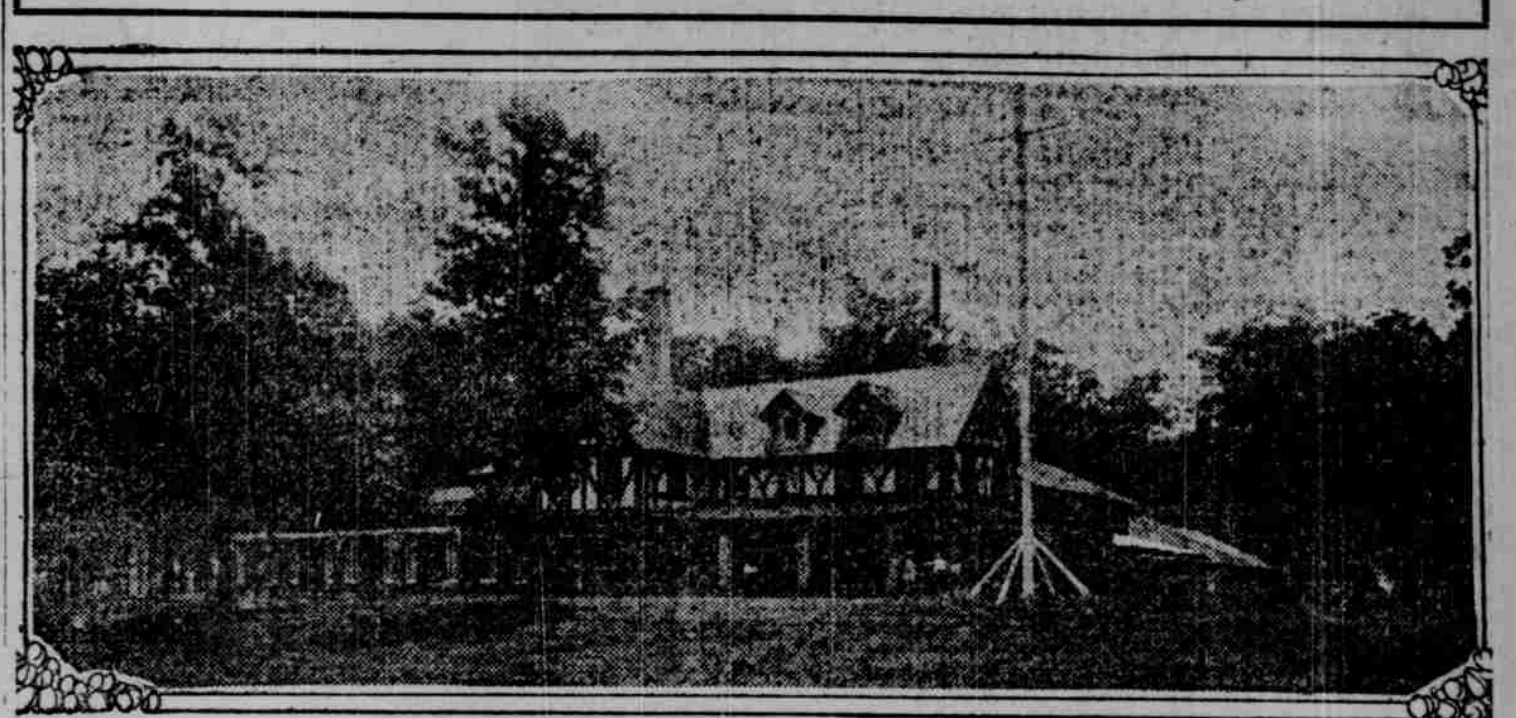

### DEFEAT GARY TEAM

(Special to THE TIMES.) Griffith, Ind., July 21.—The Griffith Stars yesterday defeated the Gary Electricians here by a score of 8 to 7, the two teams having played a game in championship form. Because of the close score from the first inning until the bats were gathered up for the ninth the interest was intense, and the Stars feel themselves entitled to much credit for defeating so able a team as the visitors. Their next game should bring out a large attendance of Griffith fans.

May pitched seven innings for the visitors and Schutz two. The Stars took thirteen hits off May, but he allowed no bases on balls. Schutz gave one base on balls, but allowed no hits. Adams worked for the Electricians behind the bat.

Walters and Barenan were the Griffith battery. Walters allowed five hits and three bases on balls. Walters got six stolen bases and Barenan three. Griffith made two double plays, and the

Magnificent defensive work on both sides gave the appearance of a pitchers' battle to yesterday's scrap between the Cubs and Phillies, which ended in another triumph for the leaderless Daisies 2 to 1, and cut more props out from under the league leaders.

The pitching itself was nothing to brag about. In fact, it was only mediocre, with the accent on the last syllable, but the support given the slammers was something to talk about in spite of the fact a lone error lost the game. Lewis Richie and Earl Moore hooked up at the outset. Lurid Lew was unsteady in spots and kept himself in hole to the batsmen. He issued four passes and permitted eleven hits, but so tight was he in the pinches and so good was his backing that the Phillies had a helluva time getting two runs out of all the men they had on bases.

Moore was a lot more generous than his opponent. His earliness gave six bases on balls, but made up for that by his miserly attitude regarding swats. Only four were made off him in seven innings, after which he was withdrawn to let a sub striker bat for him, and Alexander the Great came on in time to sit in the dorsal horseshoe.

### KINDEL COLTS WIN AGAIN

(Special to THE TIMES.) The Kindel Colts played Hesville yesterday at Kindel's grove and got another scalp added to the long string of victories which they have won this season. The score was 9 to 5 until the ninth inning, when the Kindels clouted a shower of hits and ran in five runs in the ninth, winning 10 to 9. The feature of the game was Harry Tague's batting. Harry was at bat five times,

got five hits and four runs. The team was in dire straits from the third inning on. Manager Thompson's arm giving away and he was compelled to quit the game. Rippe, the star fielder, received a deep cut in the ankle by being spiked, and Kindel had his foot spiked. Friske was then put in the box to hold the Hesville Colts down. The batteries for the Hesville Colts were Hess and Losher; Kindels, Kindel, Friske and Tague.
